Comment:

At Course Packet Solutions in the Printing Department for the University of Illinois at Urbana-Champaign, we seek permission for faculty and staff of the university. I have been here for ten years, and there have been numerous occasions when we could not locate the copyright holder of an item. We started tracking these instances in 2002, and since then, we have been unable to locate 42 different rightsholders.

A service that helps find these lost rightsholders would be greatly appreciated!
